# DORMITORY RULES

**WELCOME TO THE S.C. CRIMINAL JUSTICE ACADEMY. IN ORDER TO ENSURE THAT YOUR STAY HERE IS A SAFE AND PLEASANT ONE, AND TO KEEP OUR OPERATIONS IN COMPLIANCE WITH EXISTING STATE AND FEDERAL LAWS, FIRE REGULATIONS, AND ACADEMY POLICIES, THE FOLLOWING INFORMATION IS PROVIDED FOR YOUR INFORMATION AND ADHERENCE.**

1. Students checking in on Monday should obtain dorm assignments before 3:00 p.m. at the Linen Room located in the West Dormitory (see Specific Instructions for check-in times for Basic Law, Special Basic, Limited Duty, and Basic Jail Students). Limited Duty and TCO students checking in on the Sunday night before class begins must arrive for orientation by 6:00 p.m.
2. The linen assigned to you (set of sheets, a pillow, a blanket and spread) is the property of the Criminal Justice Academy and must be turned in prior to your departure. The linen turn-in and exchange will take place Fridays at 7:00 a.m. to 7:30 a.m. in the West Dormitory basement. The linen card that you sign is your receipt and will be retained by the Academy. For any linen not turned in, monies will be collected through your employing agency. These must be returned to the area designated upon graduation or other dismissal.
3. When setting up your dorm room, you may include the following items:
  1. Padlock for Dorm locker – **MANDATORY TO SECURE LOCKERS**
  2. Alarm clock
  3. **Towels and washcloths**, soap, shampoo, deodorant, shower shoes, etc.
  4. Any personal items (medicines, toiletries, shaving items, feminine supplies, etc.)
  5. Optional: Radio, linens (extra-long twin size), pillows, extra blankets
  6. Civilian clothing (worn after dinner).
4. **Basic Students shall bring all needed supplies when checking in on Sunday.** It is policy that Basic Law Enforcement Students will not be allowed to leave campus Monday through Friday at any time during the twelve (12) weeks of training, and Basic Jail students will not be allowed to leave during the 3-week program, except for emergencies after obtaining written permission from the Basic Training Coordinator.
5. Electric heaters, electric blankets, electric plug-in type air fresheners, hot plates, coffee pots and similar items ARE NOT permitted in dormitory rooms in conjunction with fire regulations. There will be no burning of candles of any type in the dormitory rooms. Please turn off your lights, radio and other electronics when leaving the room. There should be no food left out and open in the dorm rooms.
6. You will be given a name-tag for your dormitory room door; not applicable for students assigned to the village dormitory. Please fill out completely and place in the slot provided on your dormitory room door. Doors will be closed during your sleeping hours.
7. Rooms are pre-assigned by classes. **STUDENTS WILL NOT EXCHANGE, MOVE INTO ANOTHER DORMITORY ROOM OR VIP ROOMS FOR ANY REASON WITHOUT CLEARANCE FROM THE STUDENT HOUSING MANAGER.** Observe quiet hours in the dormitory at all times in order that

others may sleep or study without interruption or distraction. Hallways may not be used for visitation or loitering.

8. DO **NOT** iron clothes on beds, sheets, blankets, bedspreads, or furniture. Ironing boards are available for your use located in the laundry rooms (East and North dorms) and storage areas (West and West Annex dorms) on each floor. UL Rated Safety irons are also available for student use. Students should sign-out the irons in the west linen room.
9. Room occupants should hang up clothing, dust the top of their dresser and desk, empty their trashcans into the large trash collection area on that floor, make their bed. All items from bathrooms, counter tops and the floor should be removed for cleaning purposes. Non-valuable personal items will be neatly arranged on dressers and desks. Footgear will be placed underneath bed. Students are responsible for vacuuming their rooms. Vacuum cleaners, toilet tissue and trash bags are located in the Laundry Rooms (East and North dorms) and in the storage areas (West and West Annex dorms). DO **NOT** affix anything to the walls.
10. The janitorial staff will clean showers and bathrooms once a week. For your convenience and security of personal property, you **MUST** purchase a lock for the locker in your dormitory room. The Academy is not responsible for the loss of private property so valuable items should be secured when you are not in your room. Rooms will be inspected daily and violations will be noted. If valuables are left unsecured, the Housing Manager or her representative will secure (lock up) that room, and at their option, issue demerits.
11. Students are **NOT** permitted to bring weapons or ammunition into the Academy dorms.
12. Your conduct here should be of the highest standard and appropriately represent your agency and your profession. Alcoholic beverages are **NOT** permitted on Academy property. Any appearance of intoxication will result in removal from the Academy. No horseplay and/or pranks will be condoned at any time. Gambling in any form is also not permitted on Academy property.
13. **Visits by members of the opposite sex are prohibited in dorm rooms, and male students are not allowed on the female hall (first floor of the west wing; village dormitory first floor through double doors) except in the Security Personnel area.** The only exception is if your squad leader is of the opposite sex and is conducting a room inspection. Sexual activity between students while on campus is prohibited. Socializing and visiting in the hallways by students is also prohibited, as other students may be disturbed. Sleeping gowns/robes or any other sleeping apparel will not be worn outside of dormitory rooms.
14. NO SMOKING OR CHEWING TOBACCO IN DORMITORY ROOMS, HALLS OR INSIDE ANY ACADEMY BUILDING. DESIGNATED SMOKING AREAS ARE LOCATED OUTSIDE AND AT LEAST 50 FEET FROM ANY BUILDING. THIS ALSO APPLIES TO THE FIREARM AND DRIVING RANGES.
15. A "Lost and Found" is available in the Linen Room in the west dormitory. For assistance with lost and found items, you can contact the Housing Manager between the hours of 9:00 am and 3:00 pm, or the Security Office (behind linen room) between the hours of 6:00 pm and 6:00 am.

16. Because the Academy operates on a controlled heating and air conditioning system, windows do not open. Hours of operation are from 4:00 pm until 8:50 am Sunday through Friday. It will be necessary to notify the Housing Manager if a student is ill and will remain in the dormitory during a/c system shutdown so necessary adjustments can be made.
17. Complaints of maintenance problems such as heating or air conditioning, burned-out bulbs, room damage, cleanliness and other related deficiencies should be placed in the 'Request for Building Services' box, which is located at the linen rooms. Fill out the maintenance request cards provided and place them into the box. Cards will be picked up daily and the maintenance staff will be notified. Complaints of an emergency nature or concerning unsafe conditions should be made immediately to the Student Housing Manager, and after normal operating hours, to the Officer on duty.
18. All students leaving on Friday **MUST TURN-IN THEIR LINEN BEFORE 9:00 AM in the West dormitory basement**. All graduating classes must be out of the dorms by 8:00 a.m. and all guest instructors must have property out of the dorms by 9:00 a.m. All other students must have personal belongings out of dorms before 9:00 a.m. on Fridays. **VILLAGE DORMITORY LINEN EXCHANGE IS THURSDAYS 7:00 AM-7:20 AM AND IS MANDATORY. 19. **CURFEW FOR ALL STUDENTS WILL BE AT 10:00 P.M.** A Security officer will secure all exit doors at that time, and anyone arriving after the 10:00 p.m. curfew will be subject to disciplinary procedures. This affords better security and safety for the students and facility thus maintaining an environment favorable to academic performance.

**WE HOPE YOUR STAY HERE WILL BE ENJOYABLE. WE THANK YOU FOR COMPLYING WITH THE ABOVE RULES, AND FOR YOUR CONSIDERATION FOR FELLOW OCCUPANTS. ANY RECOMMENDATIONS OR COMPLAINTS SHOULD BE ADDRESSED TO THE BASIC TRAINING COORDINATOR OR THE STUDENT HOUSING MANAGER SO THAT A REFERRAL IS MADE TO THE APPROPRIATE OFFICE.**

### **CAFETERIA RULES**

It is the goal of the Criminal Justice Academy Food Services Division to give the law enforcement community the highest quality food and the best possible service within certain parameters.

We would like to take this time to make you aware of some ACADEMY regulations that pertain to the food service area, and elaborate on each so that you will understand them and why each one is necessary to the overall SCCJA mission.

We are open to suggestions. If you have a suggestion or problem, feel free to contact Bernard Shirer @ 896-7734, or ask for him when you are in the dining area.

1. Hats, tank tops, shorts and flip flops are not allowed in the serving area. This is an Academy regulation that comes from the Training Division. It was adopted to show respect for your fellow officers. When dining in the cafeteria, you must be **IN UNIFORM FOR ALL MEALS**.

Students are not allowed to break or dine with inmates.

2. Drink machines are turned off except during meal times. Coffee, tea and water are available during breaks. **DO NOT** enter the dining room at any other time. We must have time for clean-up and restocking.
3. We no longer use styro-foam cups except at night, after hours. **DO NOT GO INTO THE CABINETS** and get cups out during your breaks. This is necessary for staff to conduct other duties.
4. **DO NOT** remove cups/glasses from the dining hall. Return them to the dish room after each use.
5. **YOU MUST ADHERE** to the posted schedule for meal times. We have limited seating in the dining hall and try to schedule so that we never have people ready to eat with no place to sit.
6. All students must be in formation for lunch. A name tag (ID) is required to eat - it is your meal ticket.
7. Students must be in a double-file line (two squads). Talking is NOT permitted while in line.
8. Students may not enter the cafeteria in PT/DT uniforms during training hours (6:30 a.m.-6:15 p.m.) except when notated on the schedule or under special circumstances permission can be granted by the Basic Training Coordinator.
9. DO NOT enter the cafeteria at ANY TIME during the work day other than meal times or break times.
10. Students are allowed to select **one** entrée at the serving line. A plate may not be selected and then returned to the serving line. DHEC prohibits us from serving a plate that has already been touched, so please check the menu and decide on an entrée before you approach the serving line. Please be considerate of your classmates as well as other classes when selecting items from the serving line.
11. Fraternization with inmates is **against** CJA and SCDC policy. For your own well-being, as well as the inmate's, please limit your conversation with inmates. Any conversation with dining facility's inmates should be limited to kitchen policies and/or procedures.
12. Gas grills are available for your use off the lower dining area. Please inform us several days in advance so we can get them ready for your use. We will supply all cups, plates, napkins, and utensils. We will not supply you with the food.

## **AFTER NORMAL BUSINESS HOURS**

### **FIRE AND INCLEMENT WEATHER EVACUATION PROCEDURES**

In the event of a fire alarm, students are to evacuate the building immediately and assemble, by class, in the area near the covered bus stop. Should a fire alarm occur during the evening hours, class leaders and squad leaders will assist the Security Officer in evacuating the dormitories and accounting for class members. Assembly points are at the same bus stop area. Students residing in the Village Dormitory will evacuate the building via the closest stairway and hold formation in the SCDPS parking lot.

On the back of the entrance door for each dormitory room, you will find posted a diagram of your dormitory indicating primary and secondary evacuation routes, location of manual fire alarm boxes, portable fire extinguishers, and fire alarm enunciators. The preferred means of reporting a fire is to activate one of the manual fire alarm boxes located throughout the facility. With the exception of a small fire, no attempt should be made by Academy personnel or students to fight the fire.

Should a fire alarm sound, all students and staff are to evacuate the facility immediately in an orderly manner, utilizing either the primary or secondary evacuation routes indicated. As you evacuate, close all dormitory room doors behind you. Students and Academy staff will assemble by class in the grassy area adjacent to the bus stop sheds behind the gymnasium where students and staff will be accounted for. Student class leaders and Academy supervisory personnel shall be responsible for the accounting of all personnel. Students and Academy staff located in the Village will assemble in the SCDPS parking lot for personnel accountability.

In the event of a weather-related emergency, the first floor hallways of the North, West, and East dormitories have been designated places of refuge. If instructed to take shelter due to a weather emergency, move quickly to the first floor hallways of the North, West or East dormitories. Close all doors to the dorm rooms so that the hallways are shielded from possible flying glass. Village personnel will assemble on the first floor of the dormitory.

### **MEDICAL AND EMERGENCY SERVICES**

Students who are ill or injured shall notify the Basic Training Coordinator as soon as practical (notify the Class Leader after hours). For non-emergency medical attention students can report to sick call during specified times (Breakfast, Lunch, and Dinner). For emergency treatment, dial 911 to obtain ambulance and EMS response. For non-emergency attention after hours, medical treatment is available at the Doctor's Care or Lexington Medical Center (Urgent Care) both on St. Andrews Road in Irmo, SC, or the Lexington Medical Center on I-26, exit on Highway 378, (towards Charleston) in West Columbia, SC. A map to the Irmo location is on the last page of this manual. Students under a physician's care are required to immediately notify the Basic Training Coordinator of this fact in order that a determination of fitness for training can be made. ### **INFRACTIONS OF DISCIPLINE**

Infractions or violations are broken down into three categories and are based on a demerit system of no more than four (4) demerits per Basic Training Session.

#### **CATEGORY I: - One Demerit Per Violation**

Category I infractions are those infractions which are considered minor in nature, but the occurrence of which may indicate potential problems in the future.

Examples: Category I – One Demerit

- Unsecured valuables in dorm (clothes, money, cell phones, etc.)
- Parking in restricted area
- No name tag on classroom desk
- Improper personal grooming
- Loss of Student ID
- Entering dining hall during restricted hours
- Improper housekeeping of dorm room

- Improper Uniform (clothes not pressed, boots/shoes not shined, etc.)

Action to be taken:

First infraction of Category I could subject the violation to alternative discipline (performing push-ups, writing a complete and accurate incident report on the violation, etc).

Second infraction in Category I will result in counseling and oral/written reprimand by the Training Coordinator.

Third infraction in Category I will result in a written reprimand and conference with the Director and the Training Coordinator. The student's agency head will be contacted and informed of the violation.

Fourth infraction in this Category I will result in dismissal.

## **CATEGORY II: One or Two Demerits Per Violation**

Category II infractions are those infractions or violations which are disruptive to training or security. These violations are more serious in nature and are indicative of continuing problems.

Examples: Category II – Up to Two Demerits

First Infraction: Counseling and Oral/Written Reprimand of the student and notification of the Training Manager by the Training Coordinator. Student will receive a demerit. If a prior Category I offense has already occurred, the first infraction of a Category II violation will be treated as a "Second Offense".

Second and Subsequent Infractions: Written reprimand and notification of the Director and the student's Agency Head by the Training Coordinator. Student will receive two demerits per infraction.

### **CATEGORY III: - Four Demerits Per Violation**

Category III infractions are those which include putting others at risk of injury or death, conduct unbecoming an officer or which are criminal in nature. These violations result in **four (4) demerits per violation and immediate dismissal.**

### **MERITS**

Just as demerits may be assigned to students who violate rules of conduct, merits may be awarded to those same students who have displayed outstanding or exceptional conduct or actions. Merits may be given during a demerit period and will serve to offset demerits for the duration of the program. Merits can be recommended in writing by the class leader, but can only be awarded by CJA staff.

If a donation is made, the class will have the opportunity to acknowledge that donation in the course of its graduation ceremony. A class may have a brass plate recording its donation added to the legacy shadowbox on display at the Academy. The cost of the plate is \$6.00. These arrangements must be made at least one week prior to graduation.

**OPTION 2: In lieu of a donation, a class may purchase a framed print for display in the public areas of the Academy.**

If a print is purchased, the class will have the opportunity to present it formally to the Criminal Justice Academy as part of its graduation ceremony. To assist the class and maintain quality and continuity, a selection of art prints has been approved from which the class may choose. A class may also suggest other prints of which it may be aware, but must obtain approval before proceeding with the purchase of the print. Only approved prints will be accepted.

The following general criteria govern the prints accepted:

1. Prints must be representative of Law Enforcement and/or South Carolina (history, culture, natural environment).
2. Prints must be appropriate for long-term display in a public building.
3. Overall cost must be no greater than \$200 - \$300 (representing an individual cost in a class of 50 to 60 of \$4.00 - \$5.00). Total cost includes the price of the print, mat, frame and mounting, as well as a brass plate engraved with the class number and dates.

The Academy works with a professional art consultant who assists with the acquisition of prints and provides continuity of framing services. If a class wishes to participate, a print must be chosen and money collected **no later than three weeks prior to graduation.** A catalog with approved prints may be obtained from administrative staff in the Basic Training Unit.
