# Hiring Process

The hiring process for all officers must begin with an Acadis Check.

## Acadis Checks

The Acadis check form can be found by going to our website: [sccja.sc.gov](http://sccja.sc.gov)

Click on the General Information tab, Select the Forms option, scroll down to the second box titled "Certification/Compliance". The form is titled "[Acadis / Employment Check](#)".

SCCJA requires agencies to submit an Acadis Check on all candidates prior to hire. This includes previously certified and non-certified applicants.

Please allow 3-5 Business days to receive an emailed response, after you have submitted the request.

## Acadis Check Response

The email you receive from Certification is the email you will need to attach to the PCS of Hire, if you choose to hire the candidate.

Information you will receive after completing the form:

- Academy ID number (if they have one: please put this on the PCS of Hire)
- Certification Renewal Date
- Which Certification they currently hold (if any)
- All agencies that they have been employed with
- Training History
- If they had a break in service and what is needed to get their certification back
- If there is anything in their record that would not allow them to carry a certification (such as a misconduct)

Our Acadis Check/Employment Check does not substitute for the background check you must do within your department.

## ACADIS / Background Check

As part of a background investigation, I am requesting an ACADIS/Background check on the following individual:

# Hiring Process

## Background investigation (23-23-60).

All agencies must complete a background investigation for **ALL candidates** they hire.

As part of this background investigation, a State and National Criminal History check must be completed, through NCIC, purpose code J. Ensure you are using the Social Security number in the search parameters. The Criminal History must be completed **within 90 days** of the date of hire. The Criminal History check must conclude that the candidate “has not been convicted of any criminal offense that is a felony, or any criminal offense that carries a sentence of one year or more, or of any criminal offense that involves moral turpitude. Forfeiture of bond, a guilty plea, or a plea of nolo contendere is considered the equivalent of a conviction“. Any Military Discharge that is not listed as “Honorable” or any crime appearing on the CHRI from NCIC that you are unsure if it is disqualifier, please complete the CHC Review “CHC Review for Certification Form”

Candidates should be run through IADLEST’s National Decertification Index (NDI). To get access to this free service apply at [IADLEST](#)

A driving record check must be completed for ALL candidates (not including telecommunications Class 4). The candidate must “ hold a valid current state driver’s license with no record during the previous five years for suspension of driver’s license as a result of driving under the influence of alcoholic beverages or dangerous drugs, driving while impaired (or the equivalent), reckless homicide, involuntary manslaughter, or leaving the scene of an accident. Candidates/applicants for certification as state or local correctional officers may hold a valid current driver’s license issued by any jurisdiction of the United States“.

A credit check must be run for all candidates and the results must be favorable. Candidates for law enforcement employment, may not be in default of any National Direct Student Loan, a National Defense Student Loan, a Guaranteed-Federally Insured Student Loan, a Nursing Student Loan, a Health Professions Student Loan or a Law Enforcement Educational Loan (59-111-50).

A signed attestation form committing to the practice of ethical policing (hire attestation).

All applicants must show successful completion of high school and have received a high school diploma, equivalency certificate (military or other) recognized and accepted by the SC Department of Education.

Successful completion of the reading comprehension test is required for all **NEW Class 1** certified officers.

Successful completion of the mandatory psychological evaluation is required for **all NEW Class 1, NEW Class 3 Advanced, and NEW Reserve** officers.

The PDF copy of the email response from the SCCJA Certification Unit, verifying Acadis Background Check completion, must be attached to the PCS of Hire for ALL candidates (not including telecommunications Class 4) (2020-LETC-003).

If the applicant has been **previously employed** with a Law Enforcement Agency with SC (Class 1, Class 2, Class 3, Class 4, Reserve) it must be indicated on the hire form. You must speak with a member of their **former employer’s command staff** to discuss the terms of separation. You must have their Agency name, Full Name and Rank. If they are **a non-certified employee** (ie. HR), you will indicate that for “Rank“ and put 0000-0000 for the Academy ID.

## Where to Find the Training Review Request Form

The Training Review Request form can be found by going to our website: [sccja.sc.gov](http://sccja.sc.gov)

Click on the General Information tab, Select the Forms option, scroll down to the tenth box titled “Out -of-State Transfers“. The form is titled “[Training Review Request Form](#)“.

## Instructions for Completing the Training Review

Training Review requests will be conducted for previously certified SC law enforcement officers with no other coincidental and/or intermittent out of state law enforcement employment, military or federal training, service and/or employment. The hiring agency’s authorized official must complete and submit the one-page TRAINING REVIEW REQUEST FORM. The agency’s request along with the officer’s training file will be reviewed to determine training and certification, previous employment, breaks in law enforcement service, and in-service training requirements.

Upon completion of the review, the agency will be notified of the candidate’s eligibility and training requirement for certification. Training Review requests will be conducted for out of state candidates, SCDC Class II candidates, and military/federal candidates with prior training, certification and employment.

To make a request for out of state training review, an authorized official for the hiring agency must complete and submit the one-page TRAINING REVIEW REQUEST FORM along with the following required documentation prior to Registration:

- (1) Certificate of Completion (BLET Course, Basic Corrections or Detention Course or Federal Training Course)
- (2) Curriculum/Syllabus showing hours and topics of training
- (3) A completed [POST letter](#) has been received from the out-of-state POST agency
- (4) A Letter of Good Standing from the current or last agency the applicant was employed is required
- (5) Indication that a Letter of Good Standing has been requested for Federal/Military candidates; or a Verification of Employment Letter for SCDC Correction candidates

Please do not send documents that do not pertain to the Training Review. Only attach the requested documents above.

Prior to a candidate’s registration for training at the Academy, the Training Review Request Form along with the required documentation above should be submitted.

Upon receipt of all submitted documentation, a review will be conducted to determine a candidate’s eligibility for condensed training programs.

All certified out of state candidates with less than one (1) year of law enforcement employment/experience (one year begins upon completion of training and subsequent employment) or candidates with no law enforcement employment/experience will have to attend the 4 X 8 basic training course.

NOTE: When requesting [POST Letter](#) information from other States you must include an “Authorization of Release” signed by the candidate authorizing release of personal information. Please submit the completed POST Letter once you receive it back from the Post Agency. The SCCJA will accept electronic POST documents sent back to requesting agencies. The POST Letter DOES NOT have to be received directly from the state POST.

If POST information is requested with no success of obtaining information from State POST agencies, you must submit a statement on agency letterhead, signed by the Chief, Sheriff or Director, stating multiple attempts to obtain credentials have been without success, along with confirmation that a thorough background investigation was conducted and no discrepancies were found to disqualify for South Carolina certification in accordance with the SC Law Enforcement Training Act.

After all required documents are submitted, please allow up to 10 business days for this review.

Questions concerning Requests for Training Reviews should be directed to [cert@sccja.sc.gov](mailto:cert@sccja.sc.gov)

## Renewal Process

---

“A certificate as a law enforcement officer issued by the council will **expire three years from the date of issuance**“ (SC Code 23-23-60). To prevent expiration of their certificate, certified officers must renew their certifications every 3 years (Class 1, Class 2, Class 3).

Per Section 23-23-60 of the Law Enforcement Training Act, “the application for renewal must be received by the director **at least 45 days prior to the expiration** of the certificate“.

Certified Officers who hold a Class 1 LEO, Class 1 LECO, or Class 3 certification must have their **Legal Updates and DV training yearly**; per Training Regulation 37-010 and SC Code 23-23-50.

All Officers who hold a Class 1 LEO, Class 1 LECO, Class 2 LCO, Class 3 SLECO, or Class 3 SLE certification are required to complete Continuing Law Enforcement Education Credits (CLEEC) in **mental health or addictive disorders over a three-year recertification period**; per SC Code 23-23-55.

Certified Class 1 LEO, Class 1 LECO, and any other law enforcement officer who drives or operates a law enforcement emergency vehicle must also have at least 1 **Emergency Vehicle (EVO) training per year**; per Training Regulation 37-015 and 37-017.

Certified Officers who hold a Class 1 LEO, Class 1 LECO, Class 2, or Class 3 Advanced certification must have a **annual firearms training/qualification**. Exceptions are made for Class 2 Officers who are not issued a firearm.

All Certified Officers, for all certification classes, who are issued **less-lethal weapons must have annual training**.

All agency personnel authorized to carry weapons are required to have **annual Use of Force training** and/or policy review.

When all required training has been completed the officer is able to have their certification renewed.

To access the certification renewal application, log into your Acadis portal and click on “Workforce” and then “Personnel”. Choose the Officer’s name from the personnel list. Once on the Officer’s profile, scroll down to the certification section and select Renew beside the desired certification.

Verify the Officer’s personal information, certification type for renewal, mandatory training requirements, valid Driver’s License check, attach a signed MRN document, and then submit the request for renewal.

RE: Crimes of Moral Turpitude

DATE: March 29, 2000

**This list is not exhaustive. For any applicant with a criminal record, consult your agency's legal counsel.**

## Definition:

"Moral turpitude" has been defined as: "... an act of baseness, vileness, or depravity in the private and social duties which a man owes to his fellow man, or to society in general, contrary to the accepted and customary rule of right and duty between man and man ..." State v. Horton, 248 S.E.2d 263 (S.C. 1978); see also, State v. Morris, 345 S.E.2d 477 (S.C.1986); State v. Drakeford, 350 S.E.2d 391 (S.C. 1986); State v. Yates, 310 S.E.2d 805 (S.C. 1982).

Accommodation Sale of MDA (21)

Possession of Marijuana with Intent to Distribute (18) (19) (33)

Crimes which may be crimes of moral turpitude depending on the facts of the particular case:

Assault and Battery of a High and Aggravated Nature (37)  
Failure to Yield Right of Way (24)

## Discussion:

Crimes of moral turpitude have been those that involve an element of fraud, dishonest behavior, or a breach of one's duty to society. (12) However, the rulings in Major (26) and Gibson (27) involve conduct which is self-destructive and therefore a departure from prior law. For guidance purposes, the above list of crimes, as well as others, which involve fraud and sexual crimes or offenses (37), are certainly crimes of moral turpitude.
